

ACCESSORY TOOL CADDY

Organize and protect valuable accessories

The Nilfisk tool caddy is specifically designed to organize valuable accessories in order to meet Six Sigma, 5S or other internal operation requirements. Created to store a variety of Nilfisk wands, nozzles and brushes, the caddy helps increase user efficiency and reduce money spent on lost or damaged accessories.

For more information on Nilfisk industrial vacuums and accessories, contact your local Nilfisk representative.

Features and Benefits:

- Holds more than 10 different accessories
- Designated placement of vacuum hoses and accessories help users easily locate cleaning tools
- Compatible with the Nilfisk S2 or S3 vacuum
- Available to retrofit on existing S series vacuums
- Compact design does not increase vacuum footprint
