Custom Metal Advertisement Signs and Tackers

For restaurants, fast food chains, breweries, as well as other dealers, Interstate Graphics designs and manufactures custom metal signs and tackers. We can fabricate attractive, yet durable, signs customized to reflect your brand image. Metal signs and tackers can be manufactured from aluminum, steel, or magnetic sheeting materials. These metal tackers and signs can also be powder coated to meet specific finishing requirements. The longevity of custom metal signs and tackers can be enhanced through the application of UV coatings or laminating.

Our in-house embossing capability enables us to provide a 3D appearance to your graphics. Metal signs and decals can be printed with custom graphics by 4-color screen printing or digital printing. All stages of the design, fabrication, printing, finishing, and packaging are performed in-house. We can also integrate chalkboards and flashlights with our custom metal signs. With multiple automatic plus semi-automatic screen printing presses and digital printing equipment, we can meet your high as well as low volume production requirements.

Specifications

Capabilities	Assembly Design Fabricating Finishing Fulfillment Printing
Finishing Capabilities	Die Cutting Heat Bending Heat Sealing Laminating Punching Routing Slitting Welding
Substrates	Acrylics Aluminum Cardboard and Other Paper Products Coroplast (Corrugated Polypropylene or Polyethylene) Flexible Vinyl Fome-Cor Gator Foam Glass Lexan Magnetic Sheeting Magnetics One-Way, See-Through Vinyl Paper PETG Plexiglass Polycarbonate Polyester (Mylar) Polyethylene PolypropylenePressure-Sensitive Vinyls PVC (Foam) Reflective Rigid Vinyls SBS (Display Board)

	Sintra Static Cling Vinyl Steel Stryrene Unsupported Vinyls
Metal Signs and Tacker Features	Chalkboards Neon or Flashing Lights Screen Printed/Digitally Printed, Die Cut, and Embossed UV Clear Coatings/Laminated
Typical Applications	Brand Spotter Displays Ceiling Displays Counter Displays Exterior Signage Floor Stands Menu Boards and Holders Pole Signs Price Signs Static Cling Decals Window Signs
Digital Printing Features	Large Format Digital Printing Roll to Roll and Flatbed UV and Solvent
Screen Printing Features	Clear Coat G7™ Proof-to-Press Process Spot Clear Rigid or Flexible Products Spot Color or 4-Color Process
Software Used	Adobe InDesign Adobe Photoshop CorelDRAW Illustrator QuarkXPress
Acceptable File Formats	AI And Others CDR DWG DXF EPS PDF PDS PSD
Industries Served	Equipment Manufacturers Marketing Firms Point of Purchase Restaurants Retail Stores Schools

Equipment List	
Digital Inkjet Printers	(2) Vutek GS3200 8 Color plus White - Flat Bed & Roll-to-Roll UV Digital Printer Seiko ColorPainter 64s 6 Color Piezo - 64" wide/True Solvent Inkjet Printer HP 5000 Inkjet Printer
Cutting Plotters	Gerber Edge Mimaki CG-160 FX Cutting Plotter (62.9" Cutting Area) w/Optical Registration Gerber 15 High Speed Plotter
	M&R Advantage-5 Color In Line Press (Image Area 38" x 50") M&R Conquest-5 Color (Image Area 38" x 50") Sakurai Cylinder Press-(Sheet Size 40.25" x 28.3125")

Screen Printing Equipment	Svecia Printmaster SPM Digital-(Image Area 34.5" x 49") w/Hypron A-LE 2+2 w/2 Lamp Curing System 6 Semi-Automatic Presses With Image Areas that go up to 34" x 50" Svecia Matic SM 3/4 Automatic (Image Area 40" x 64") w/2 forced-air dryers and 2 UV curing units
Curing Equipment	(1) Forced Air Dryer (Conventional) (4) U. V. Curing System Units
Color Matching Equipment	Spectrophotometers
Die Cutting Equipment	(1) Thompson Die Cutter 38"x54"
Other Cutting Equipment	(1) Siebold Guillotine Cutter 58"
Routing Equipment	(1) Gerber CNC Router (54"x54" Cutting Area) (1) MultiCam Router (60"x120" Cutting Area)
Heat Bending Equipment	(4) Line Heat Bending 48"
Laminators	Laminator 40" Orca Laminator 60" Seal Laminator 60" Wensco Laminator 27"
Slitting Equipment	Back Slitter
Welding Equipment	(1) Dukane Sonic Welder
