

Soda maker

SODA ELEGANCE TOWER

- Soda water machines SODA ELEGANCE and SODA ELEGANCE TOWER are professional machines for production of chilled soda water by mixing drinking water with carbon dioxide.
- The modern design makes these machine ideal for households and offices.
- This machine produces 18-20 litres per hour of high quality chilled soda water, which will satisfy any office or household demands.
- The modern compressor cooling unit uses the power input for direct transfer to chilling, which guarantees minimum energy usage.
- **SODA ELEGANCE TOWER** model has all the necessary technology (CO2 bottle, CO2 reducing valve and a water filter) in the bottom part of the machine.
- **LINDR cooling technology is 45% more efficient** than its power input.
- All external construction is made from stainless steel to give a more clean and aesthetic look.
- The dispensing taps are equipped with push buttons on top of the taps, which ensures perfect regulation of soda and chilled water.
- Also includes a stainless steel drip tray that ensures no spillage.
- The materials used meet the highest requirements for hygiene standards and guarantee a long working life of this soda water machine.

Soda maker

SODA BAR

- Soda Water Maker **SODA BAR** is a professional device designed for production of chilled soda water by mixing drinking water with carbon dioxide.
- The modern design takes this model up to the luxury devices.
- 35 - 40 l of high-quality chilled soda water within one hour will satisfy any office, operational facility, or household.
- Lindr modern compressor cooling unit uses the input energy for direct conversion to chilling, which guarantees the minimum energy intensity.
- SODA BAR has in its bottom part of the device enough space for any necessary technology (CO2 bottle, CO2 reducing valve and a water filter).
- **LINDR cooling technology is by 45% more efficient** than its electric energy input. Soda water maker SODA BAR is made from high-quality steel with wooden accessories.
- Dispensing pump is equipped with taps enabling easy tapping of chilled soda water.
- Stainless drip tray secures hygiene comfort of the device.
- The used materials meet the highest hygiene standards and guarantee long working life of this soda water maker.
